

**CALENDARI EXÀMENS FINALS MAMME CURS 2025-2026**  
**QUADRIMESTRE TARDOR**

| <b>EXÀMENS FINALS MAMME Q1</b>                        |             |             |             |
|-------------------------------------------------------|-------------|-------------|-------------|
| <b>Assignatura</b>                                    | <b>Data</b> | <b>Hora</b> | <b>Aula</b> |
| Commutative Algebra                                   | 8/1/2026    | 15:00       | 101         |
| Discrete and algorithmic geometry                     | 12/1/2026   | 15:00       | 101         |
| Non-commutative algebra                               | 14/1/2026   | 15:00       | 101         |
| Graph Theory                                          | 19/1/2026   | 15:00       | 101         |
| Number Theory                                         | 21/1/2026   | 15:00       | 101         |
| Mathematical Modelling in Biology                     | 8/1/2026    | 15:00       | 102         |
| Quantitative and qualitative methods in dinamical sys | 12/1/2026   | 15:00       | 102         |
| Numerical Methods for PDEs                            | 14/1/2026   | 15:00       | 102         |
| Numerical Methods for dynamical systems               | 19/1/2026   | 15:00       | 102         |
| Mathematicl modelling with PDEs                       | 21/1/2026   | 15:00       | 102         |
